Editor's Note

The combined efforts of the Annual Staff have given you a brief look at Samuell. Your interpretation of this book depends on your own experiences here. We can only give a picture of the school year and you must fill in the memories whether they were good or bad.

Sincerely yours,

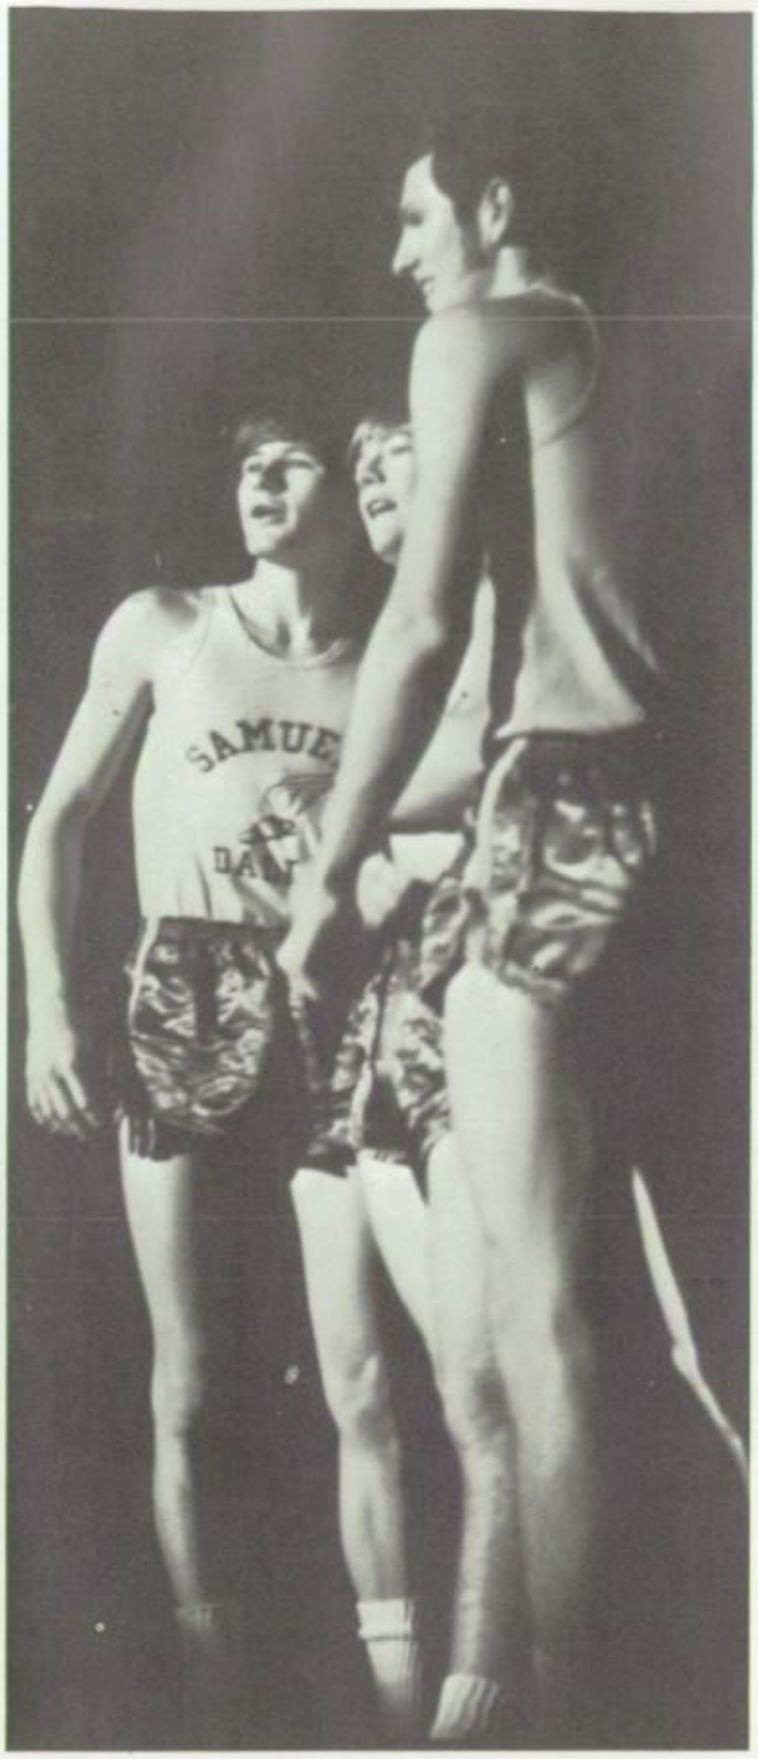
Hail, Samuell High; Hail,
Samuell High!
This song to thee we sing.
We pledge to thee our loyalty
As loud our praises ring.
For always to the Gold and
Blue
Our hearts will still be true
As fighting Spartans we will
cry
Our love for Samuell High.

A School Day . . .

begins with a last minute rush before the bell . . . a smiling face . . . a group of friends . . . a snowball fight.

The Morning Hours

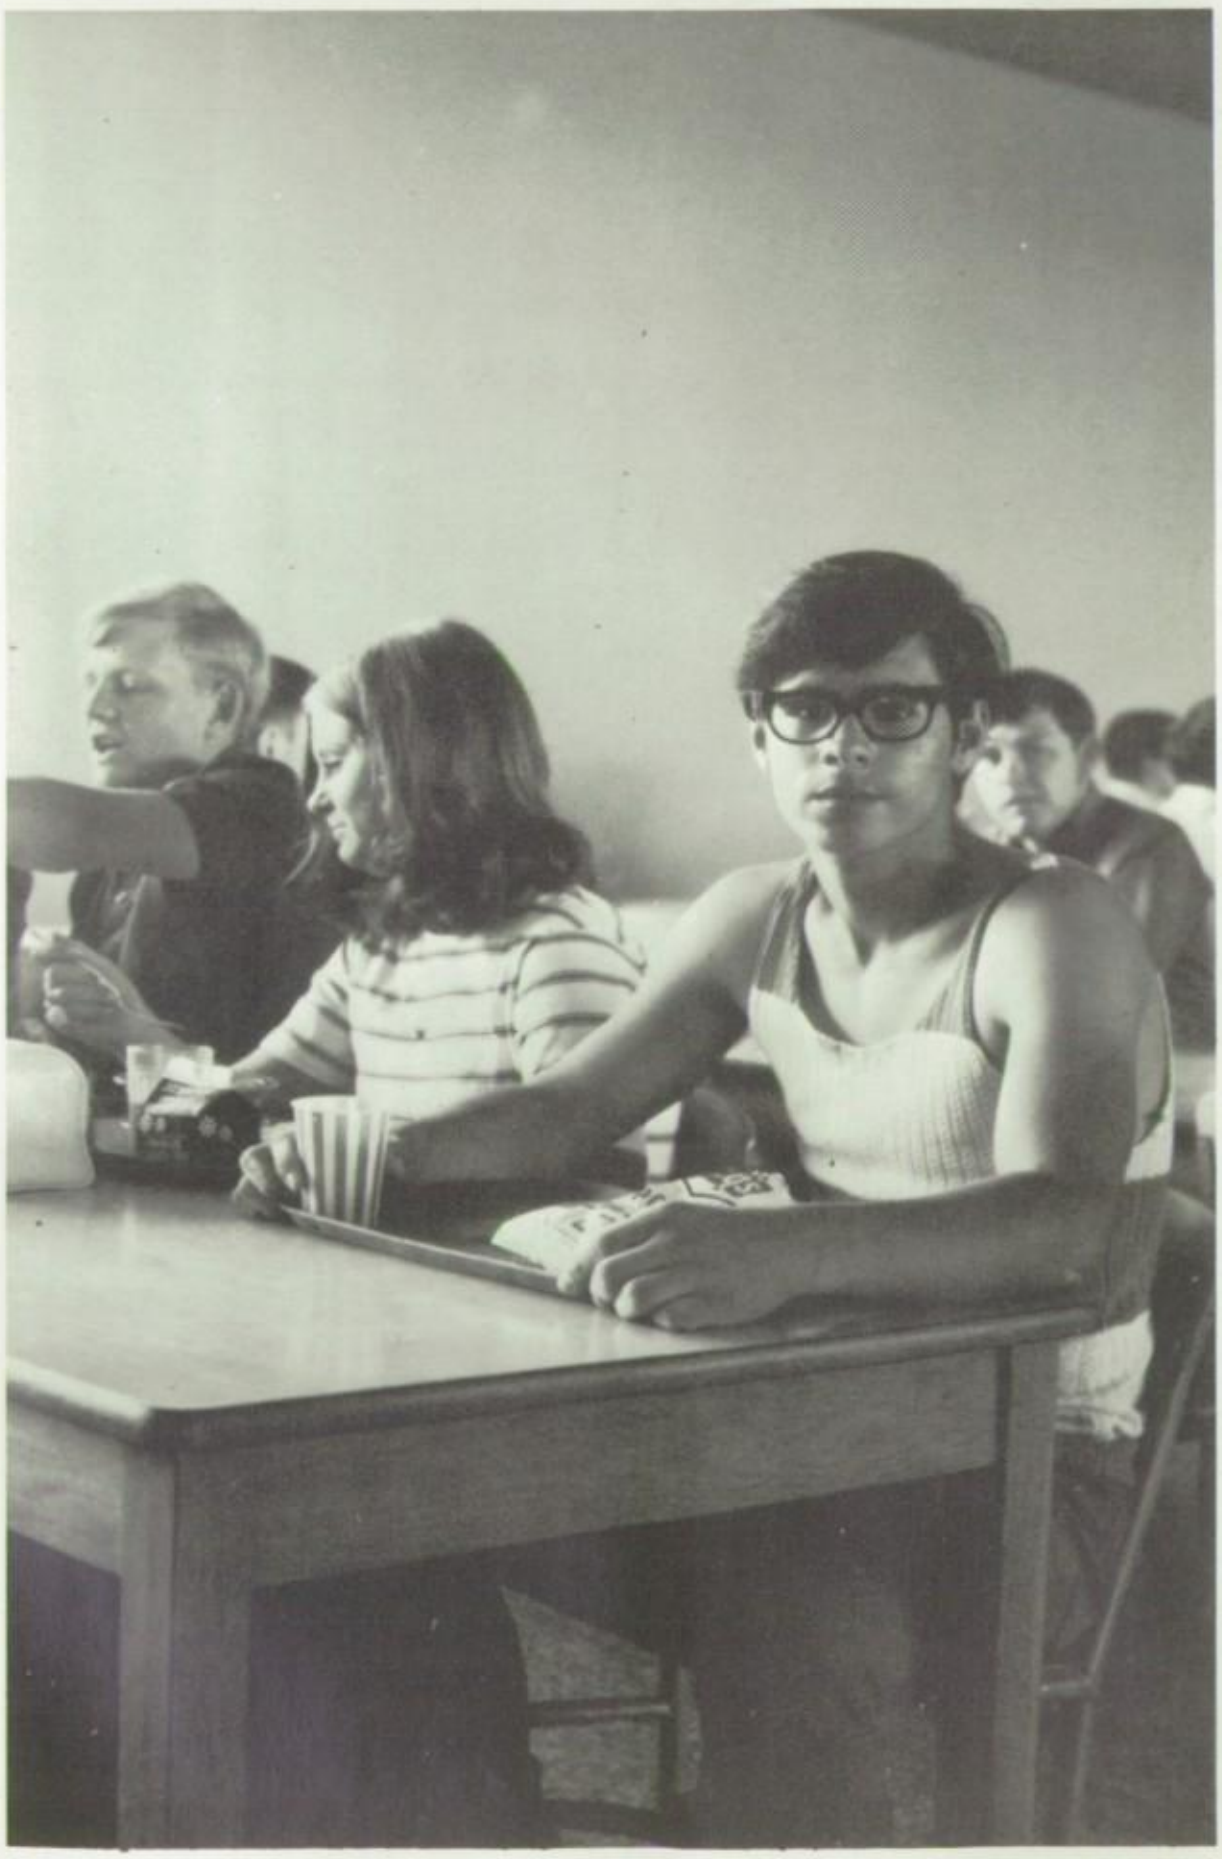


are eventful to say the least . . . the pep rallies . . . tacky day . . . the assemblies . . . field trips . . . and classroom studies.

Fight Song

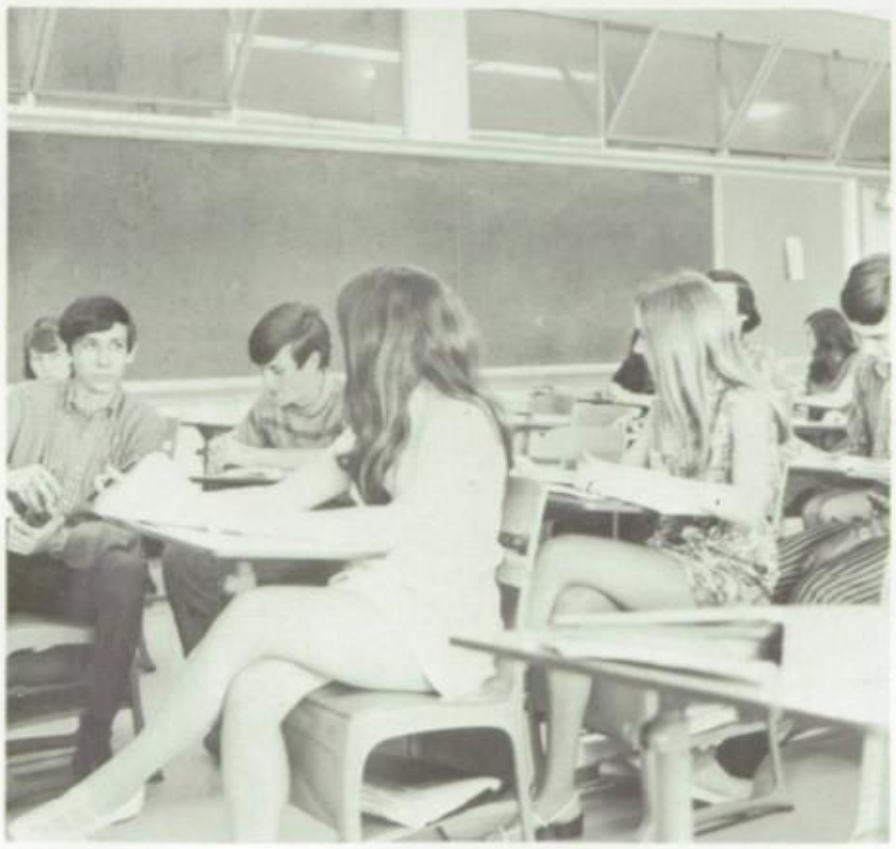
Fight, Spartans, right down the field
Until we score that victory FIGHT! FIGHT!
Fight, Spartans, and never yield
Our pledge of pride and loyalty RAH! RAH!
To our colors of Gold and Blue
We ever shall be true.
GO, SPARTANS, GO
Go crashing through that line
And we will cheer you all the time!

Lunch . . .



are filled with posings for pictures . . . 20 winks . . . group discussions . . . chit chats . . . and heated debates (?).

The Lazy Afternoons . . .



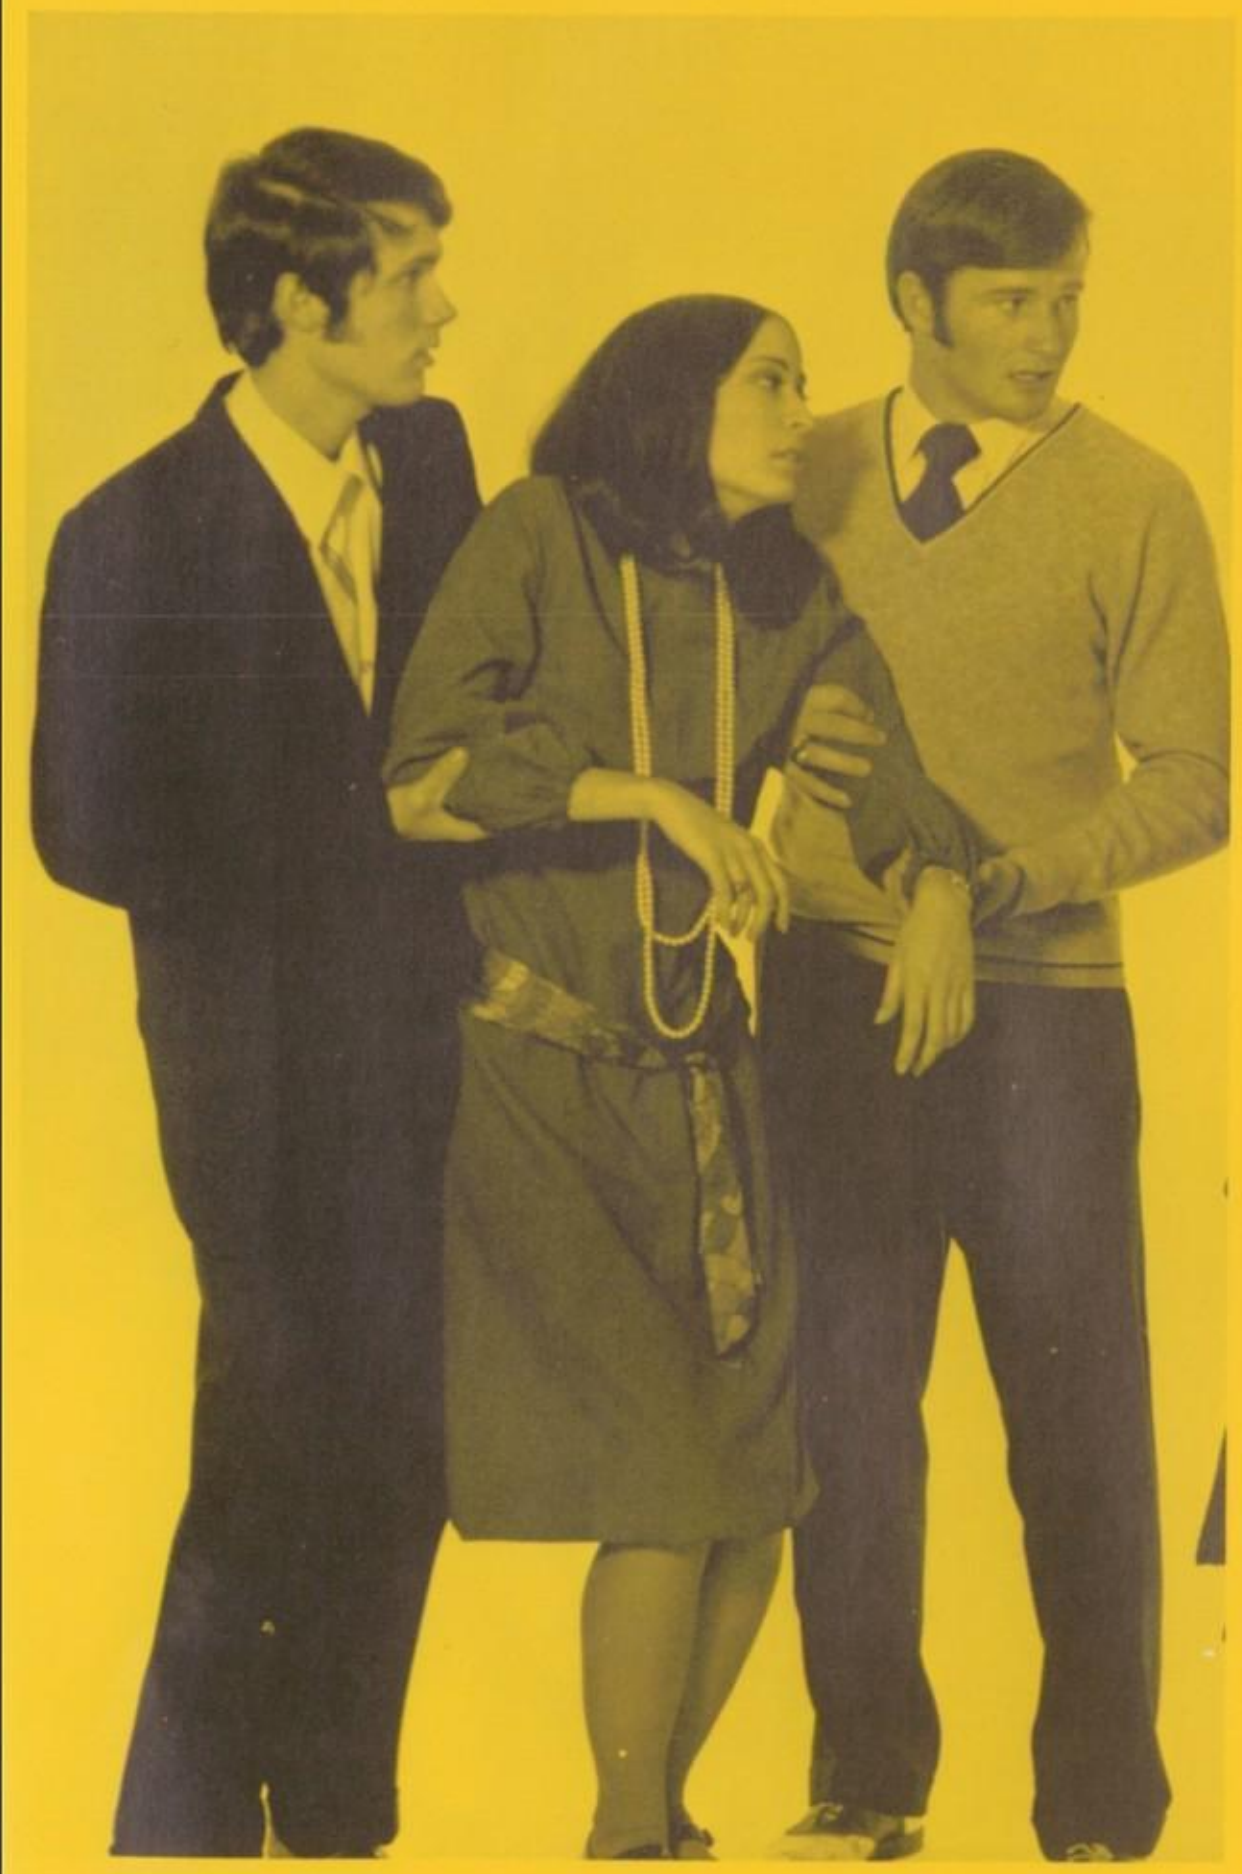
Afternoon Rush

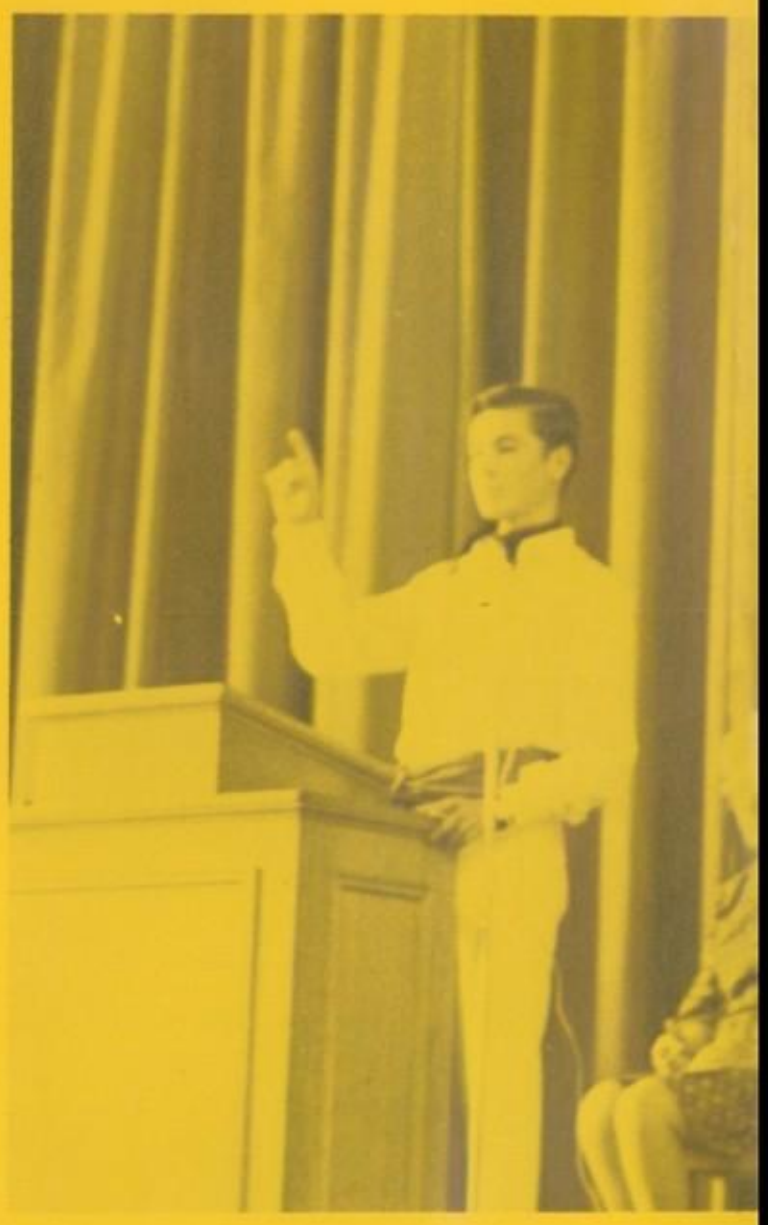
CAPER!

Nighttime

. . . makes way for extra-curricular activities including: parties . . . crownings . . . comedies . . . honorings . . . embarrassing moments . . . and bitter disgust.

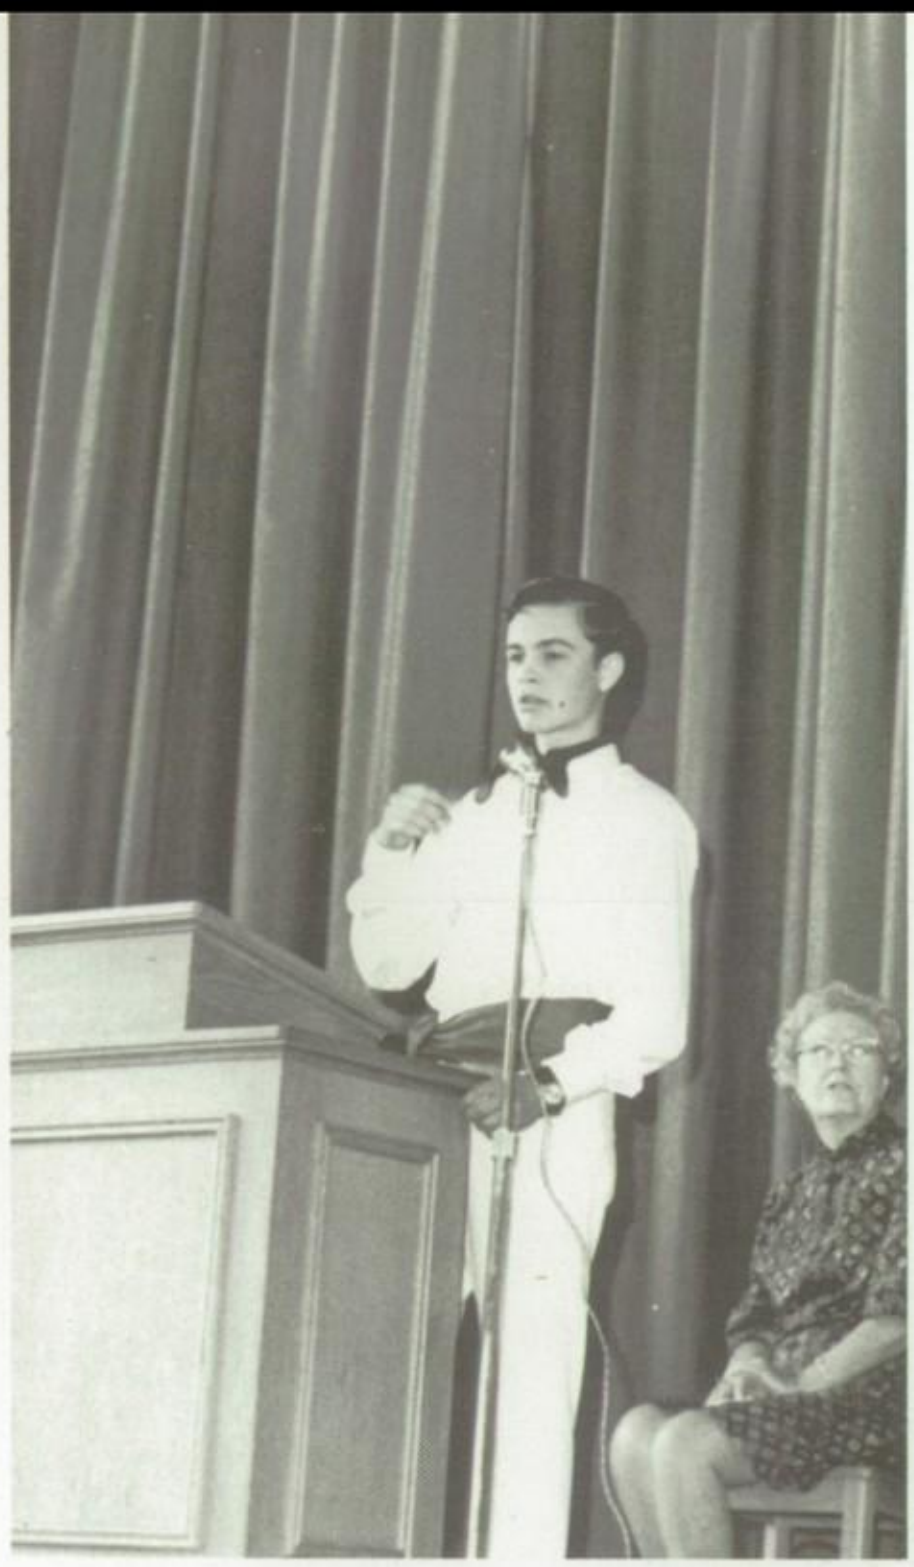
STUDENT LIFE





A.F.S. Assembly

The audience listens with enthusiasm as Ignacio Preciado and Yasemin Birgul tell about their countries of Spain and Turkey respectively.



Pianist Plays For Students

Dino Kartsonakis performed before a packed auditorium at Samuell, playing such popular songs as "Climb Every Mountain" and the "Love Theme from Romeo and Juliet."

He stated, "I am mainly a sacred concert pianist. There is no greater love than God's love for us. It is the most fantastic thing in the world." After these comments he played a medley of gospel songs.

Dino added that he practices "seven to eight hours a day. I strive for the best, because God expects it from our lives."

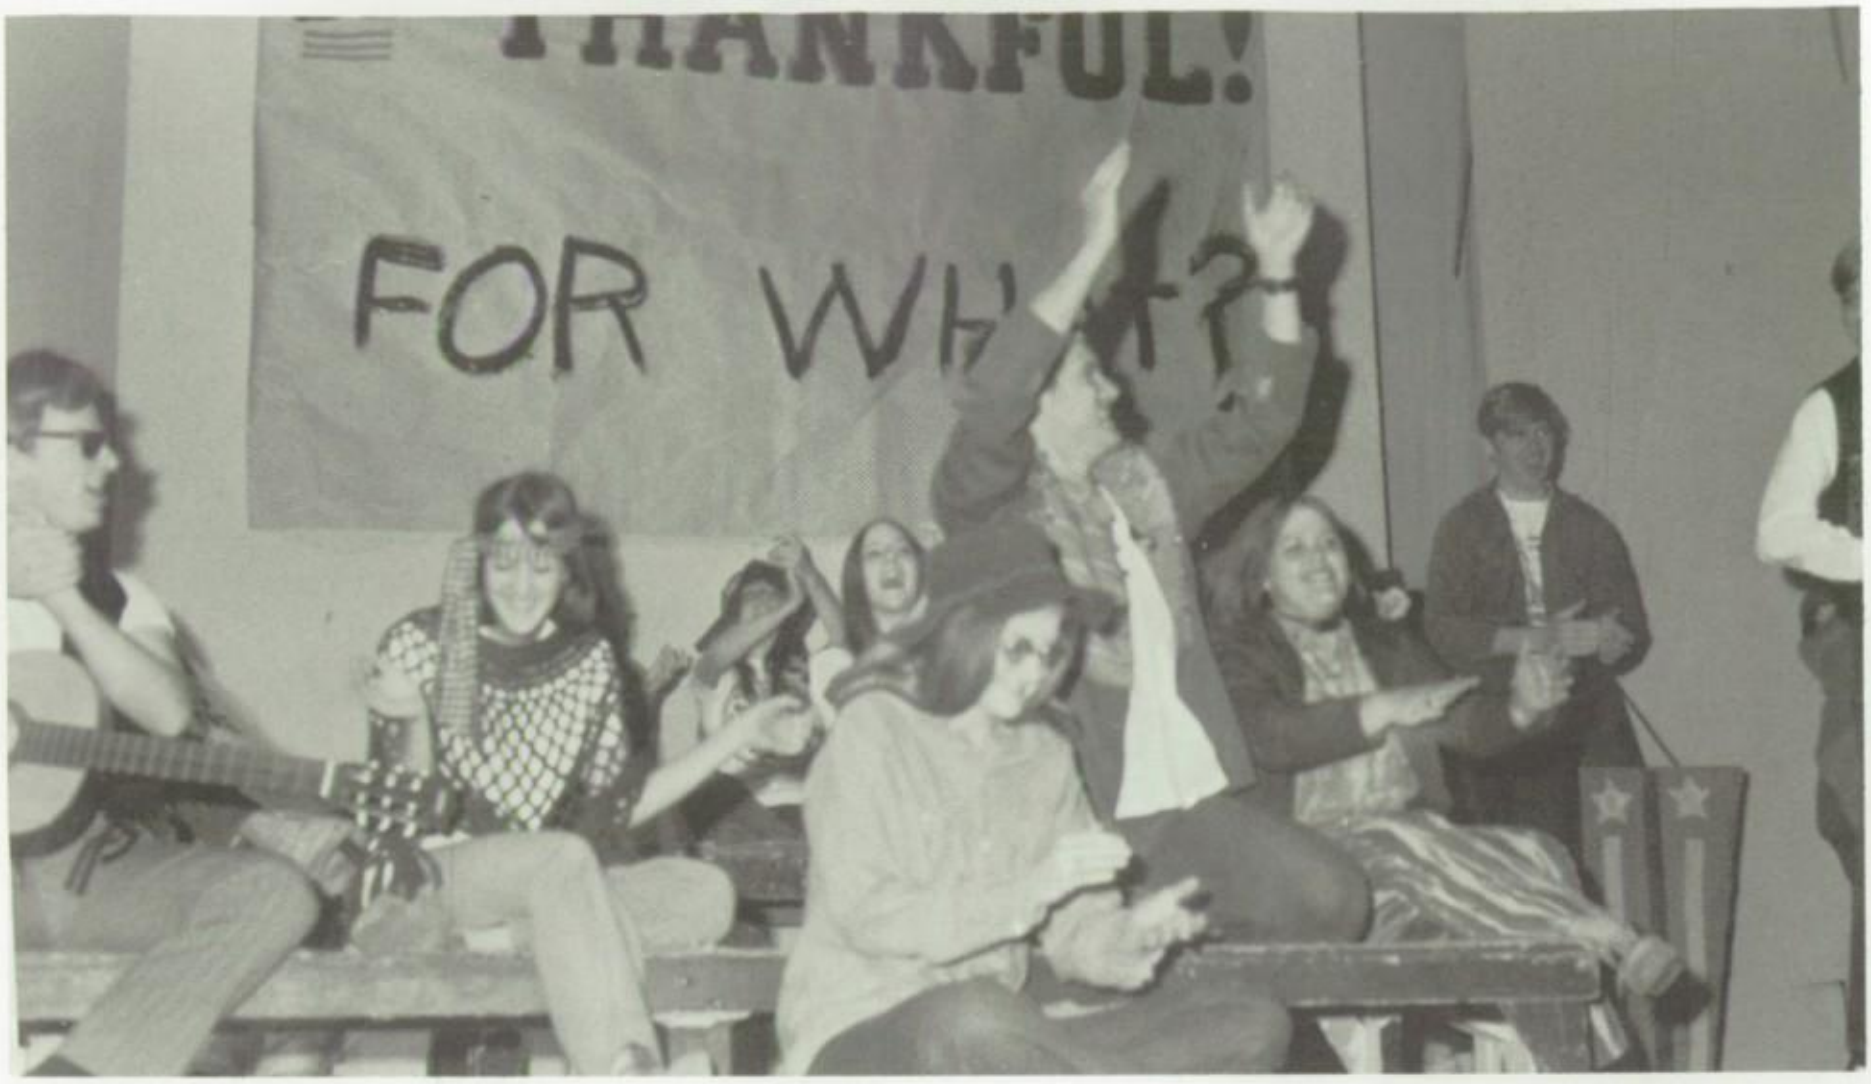
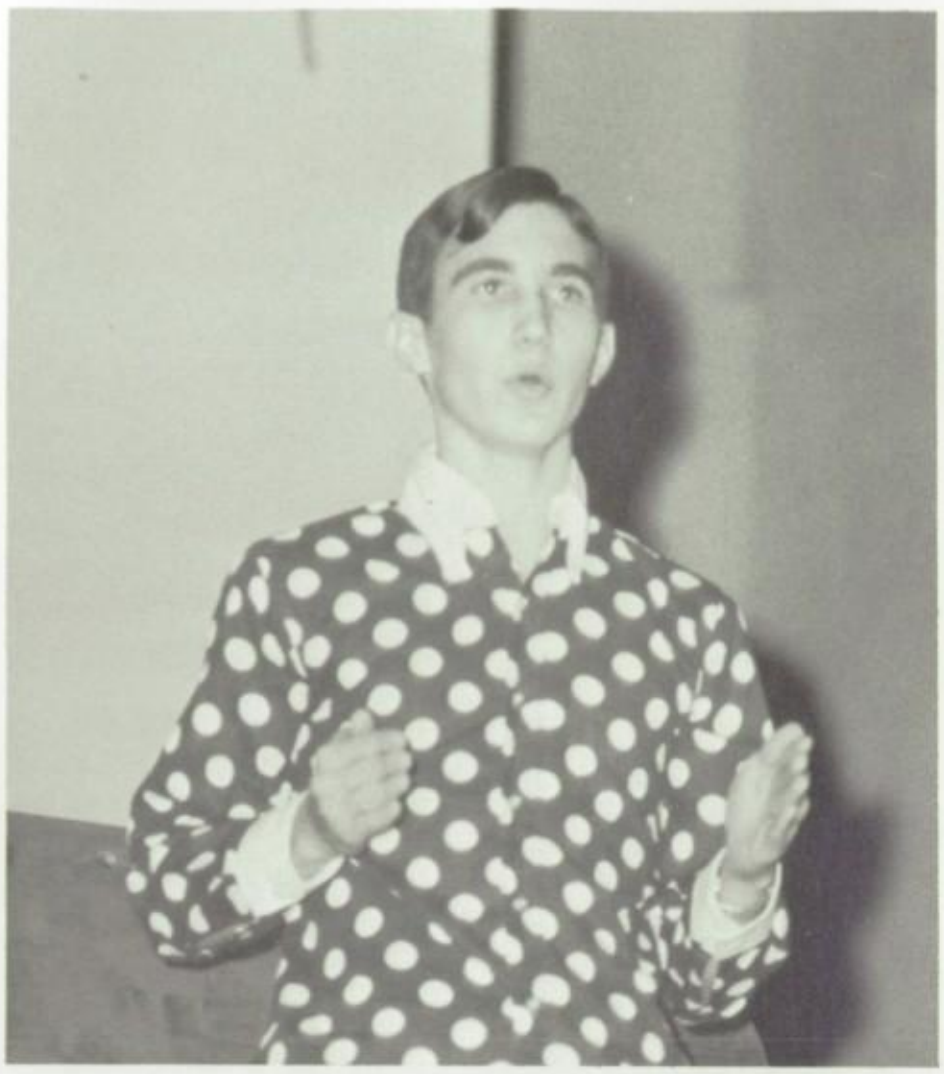
Be Thankful . . .





"Be thankful for what?" was the theme of our annual Thanksgiving Assembly. Many reasons were given as to why we shouldn't be thankful; the war in Viet Nam, the pollution in our cities, and the use of drugs. We as future leaders are given a chance to change all this. That is what we should be thankful for — a chance.

For A Chance.

The Old Gives Way To The New

A new approach was tried this year with regard to purchasing an Annual. Instead of dragging the sales out over half the year the Annuals were sold in a few days. It was much easier for all concerned, and since it met with such success will probably be continued in the future. Many thanks go to Steve Stroope and Bob McCutcheon for their fine presentation of the 1970-71 Torch.

In The Beginning . . .

This was our first Student Council sponsored party of the year. It was a big success with everyone meeting in the quadrangle. They all enjoyed just sitting and talking with friends.

Skyline Upsets Samuell, 14-2

It was a warm sunny afternoon when the two French Clubs met for their first powder puff football game. Unfortunately the action was so rough that Claudia Weeks fractured her foot, and several other girls were injured as a result of the tactics used by both teams. The only score for our "Fighting French" came by a great defensive effort in which we gained two points. The final score was Skyline 14, Samuell 2.

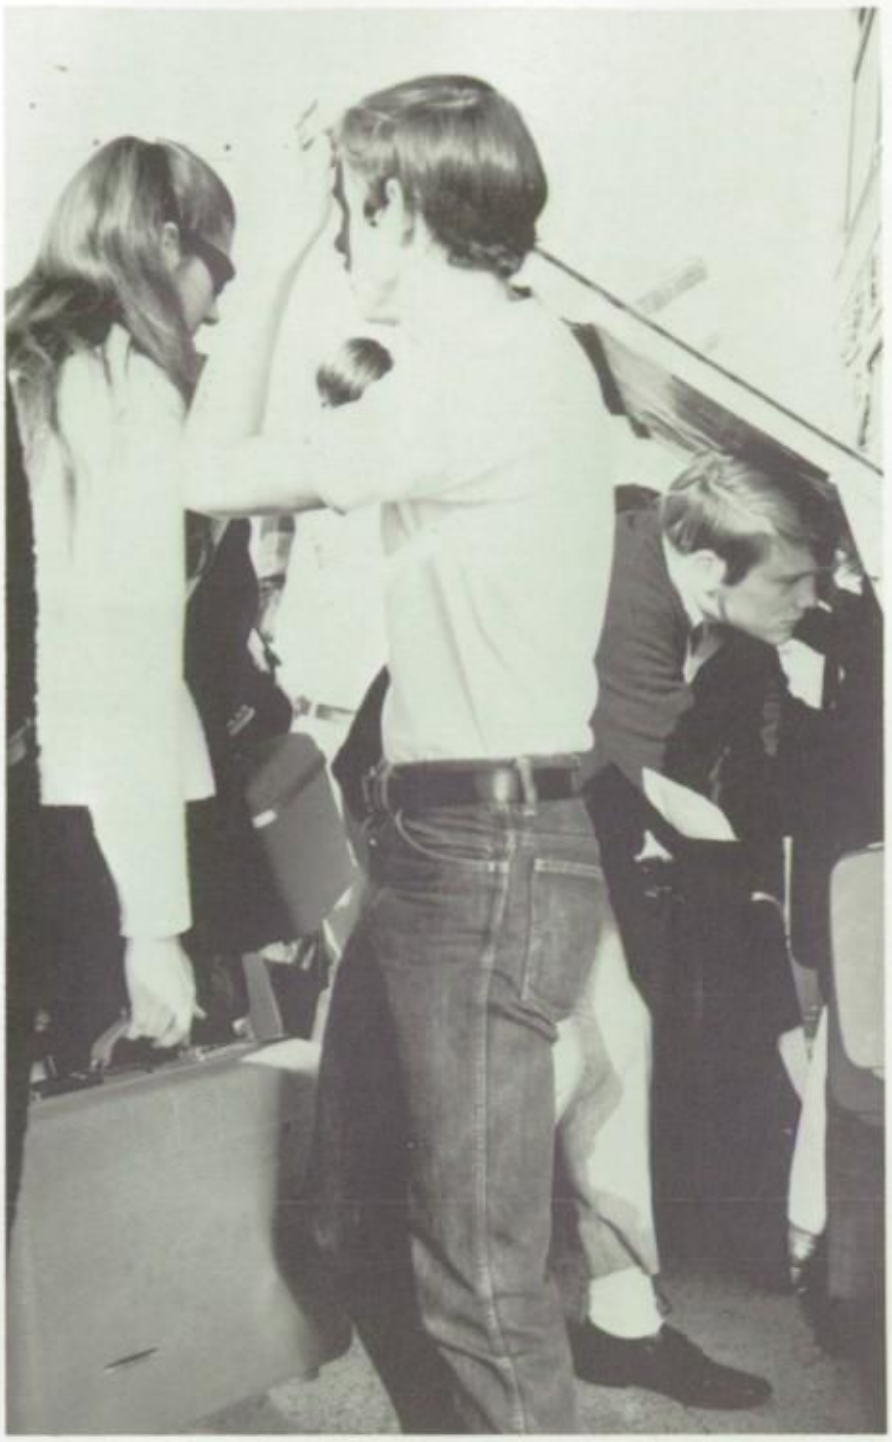
A.F.S. Drive Reaches Goal

Samuell does it again! By passing our goal for the A.F.S. drive, once again we'll have two foreign exchange students attending our school. The drive was ended with a party given for our own foreign exchange students Yasemin Birgul and Ignacio Preciado.



Many students enjoyed a weekend in San Antonio as they attended the annual Pan American Conference there.

Students show concern over rising pollution problem by holding their own Ecology Week. Several activities were held during this time, such as riding bicycles to prevent air pollution, a clean-up day to beautify the school, and an assembly to show us just how the world is being polluted. The week was climaxed with the awarding of the Golden Broom to the homeroom with the best decorated door.

A SENIOR LOOKS BACK

A look back usually puts events in their proper perspective. If I were the sentimental sort, I would remember my high school with affection, and become teary-eyed at the thought of having to graduate.

However, I will recall my senior year with frustration and disappointment. The inability to move freely within the system, the nonsensical regulations, the brick wall that I ran against at every turn, and the suffocating atmosphere created in a potential learning situation will be remembered as overshadowing many of the good memories I carry with me.

I do not consider this year a waste. It has radically changed my opinions, for the better, I think. It has brought me in contact with people whose friendship I will always treasure, and it has given me a small amount of awareness.

If awareness brought contentment, I would have no grievances. But, for me, it has brought dissatisfaction with the status quo and a desire to help foster a change for the better. I am thankful for the teachers who have given me their time and their minds, teaching me not to be satisfied.

I have no idea what college holds for me. Perhaps the visions I take there will disappear like the ones I brought to public school. My ideas may change again, and again. My world may build to unbelievable heights or crumble into ruins. But it will not stagnate, and I welcome the challenge and the change.

It is with relief that I leave Samuell.

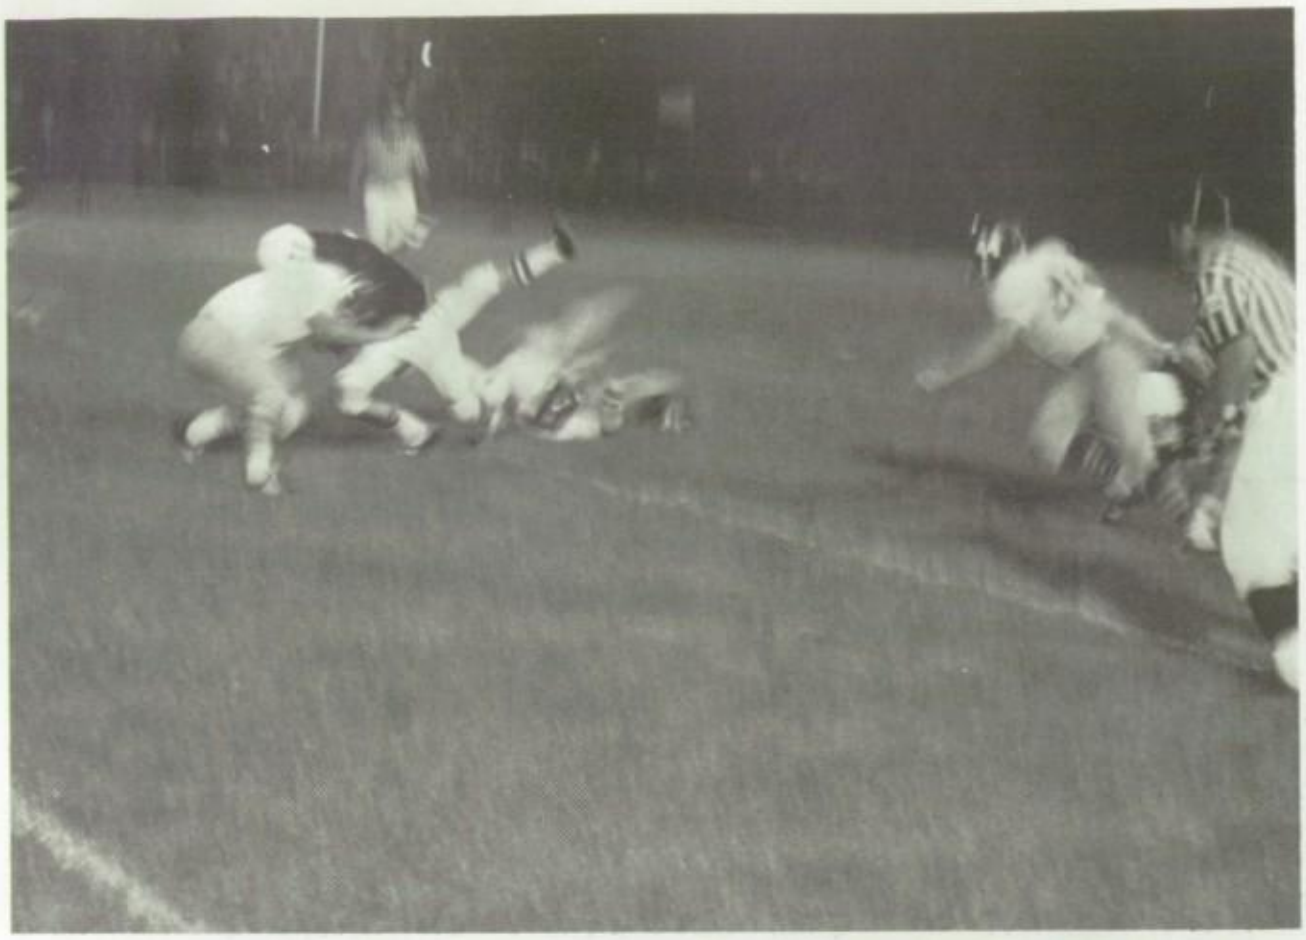
Spartans Win First



Right: Samuell defenders stop Irving.
Below right: Ronnie Bentley scrambles for important yardage.

The Spartans opened the season with a win over Irving 20-8. The victory resulted with two touchdowns by Ronnie Bentley, and a 10-yard pass to James Stafford in the end zone.

Too Much For Tigers

Left: Lincoln dropped for a loss.
Below left: A Spartan mistake results favorably for Lincoln.

One point determined the winner of Samuell's first district game. Gordon Grammar pitched two touchdown passes of 28 and 25 yards. The real victory came when James Stafford used his right hand to block Lincoln's one point conversion.

Spartans Beat Hillcrest . . .

Again the Spartans prove to be too tough to handle by defeating Hillcrest 26-0. The victory was the result of an outstanding performance by the Spartan defense.

Stafford caught from behind.

Samuell Suffers Loss

Even the best lose a few, and that's what happened to Samuell at Carrollton. The Lions' Charley McLane, was their key man, while the Spartans constantly made mistakes. The final score was Turner 17 Samuell 0.

A disappointed team leaves the field.

Vikings Sunk

Left: Gollihugh caught in the middle.
Above: Spartan defense too tough.

After a loss to Turner, it was good to see the Spartan Team back in style by defeating Pinkston 24-0. Both Gordan Grammar and Ted Walters fought their way to score two of the Spartans touchdowns.

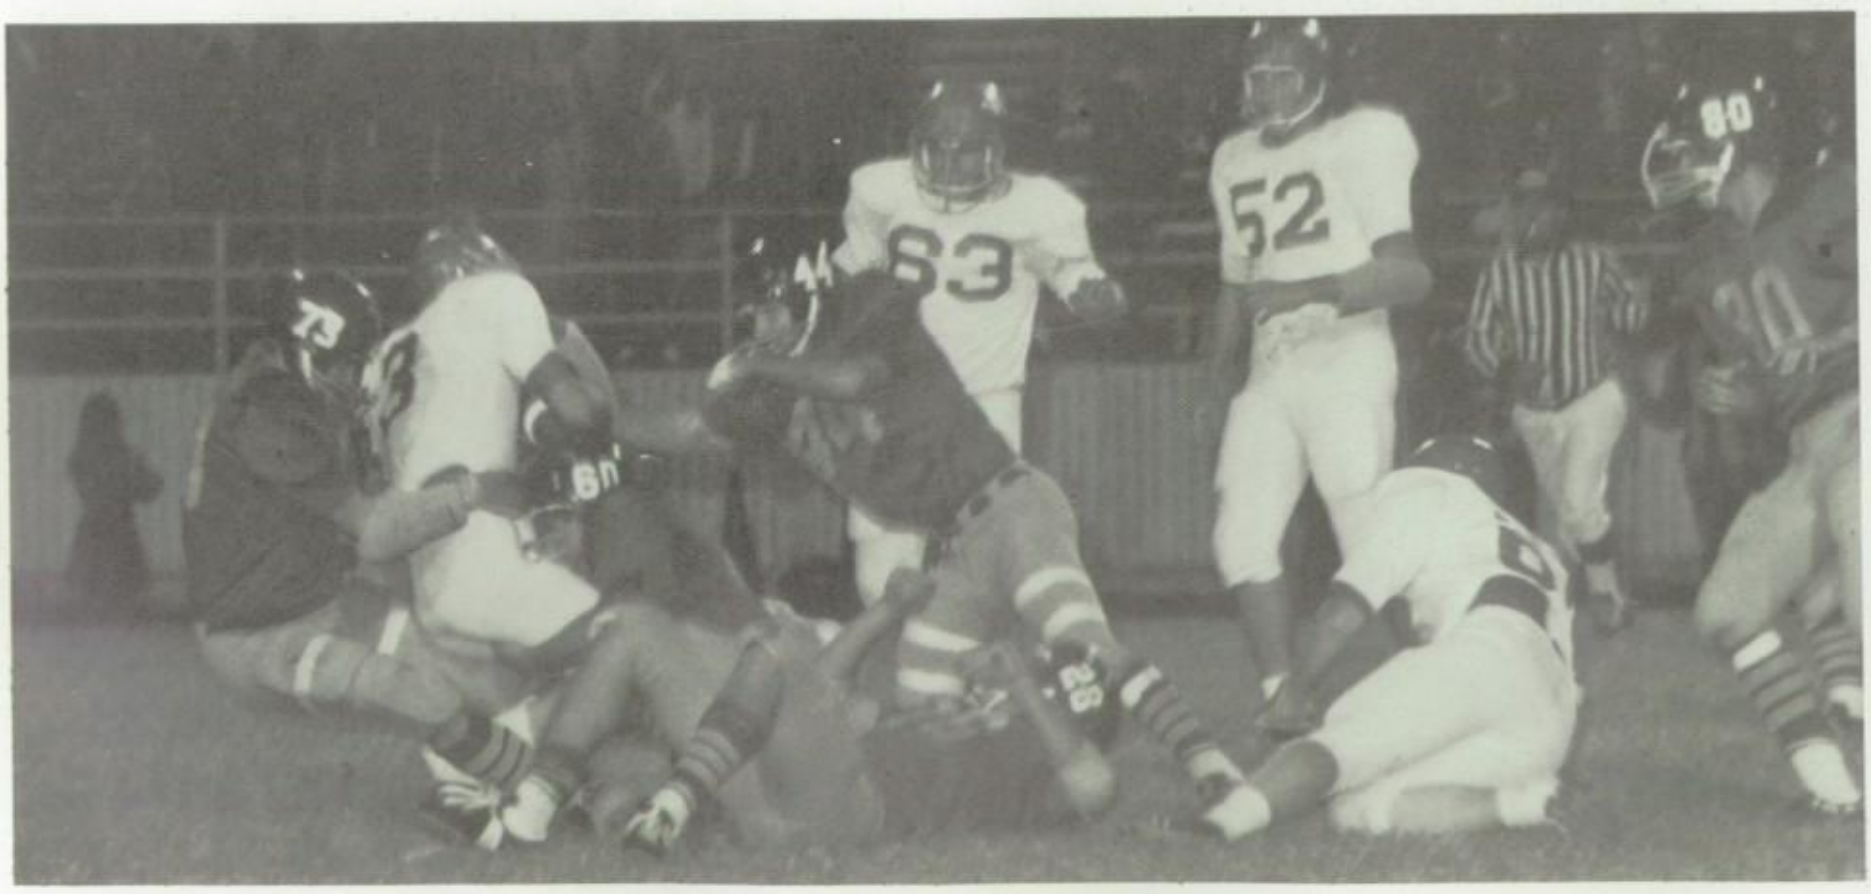
Coach Shaver *calmly* watching the game?

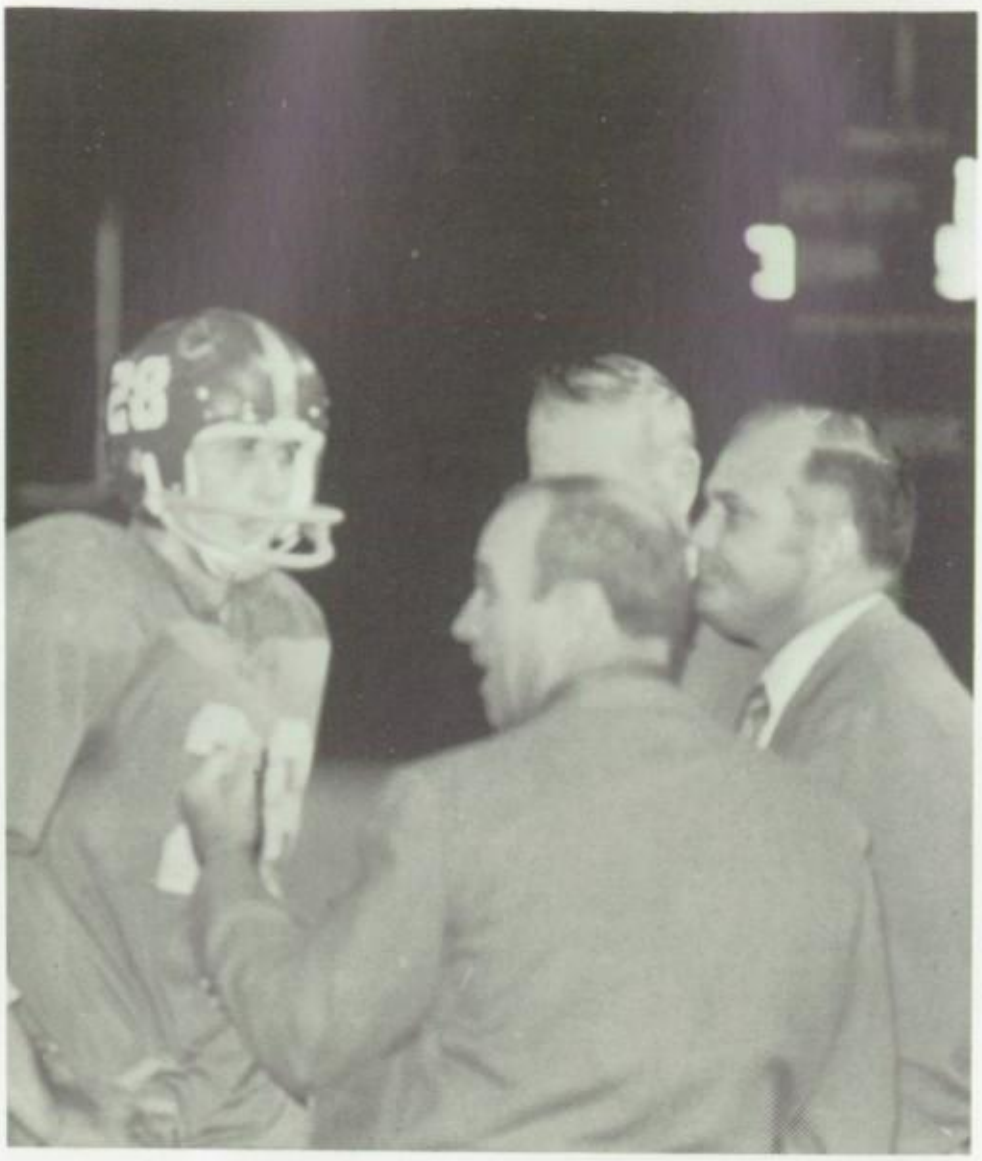
Apaches Scalped

Of course Samuell beat Spruce 34-14. Samuell led the Apaches by a score of 34-0 by the end of the third quarter. The Spartans relaxed during the fourth quarter which allowed Spruce to score 14 points.

Stafford trying to dodge Spruce defender.

Stephan Fortner, Kenneth Flatt and James Stafford help one of the Apaches to the ground.





T.J. Too Much

Everyone expected T. J. to be a tough ball team, but no one expected a shut-out of 18-0. The Rebel's awareness to the Spartan's mistakes, gave T. J. domination over ball control.

Joe Timpa goes to the sidelines to discuss strategy.

Longhorns Roped

The fierce Spartan defense is too much for White's receivers.

Samuell was ready for the Longhorns as they beat them 20-12. With Ted Watters as the leading rusher, W. T. White couldn't possibly have won.

Trojans Shut-out

Coach Shaver tells Grammar an effective play against Madison.

The game with Madison seemed to be one mistake after another. Fortunately, Madison made the most mistakes to lose to Samuell by a score of 30-0. Robert Freeman and Mark Yater accounted for two of the Spartans touchdowns.

Ted Walters scrambles for tough yardage against Madison.

Cougars Fight Back

Ted Walters dodges Cougar defensive players and gains extra yardage.

A very cold and muddy Friday night proved disasterous for Samuell by losing to B. A. 21-0. Kenneth Flatt played an outstanding defensive game, while Ted Walters was the leading rusher with an average of 8 yards per carry.

Joe Timpa and the rest of the B. A. Cougars spent most of their time on the ground.

Howard Wins State

To get 15 feet in the air and maneuver over a small bar wit out hitting it using only a long pole and your own skill is pol vaulting. For Senior David Howard this sport is his piece of ca:k

David has proved his abilities repeatedly this year by winr .r the District Meet and going to regionals. He won regionals wit a jump of 14' 6-½". He went into state competition and won fir place.

Besides vaulting for Samuell, David is a big sports fan an does some bird hunting. David hopes to continue vaulting in co lege and he looks to the University of Texas as a future possibil ty.

The Samuell Baseball team ended their season with a 6-3 record. Two losses came from Bryan Adams. The baseball team finished up their season after a stinging defeat from Bryan Adams. The game was a real pitchers duel until luck stepped into the game. With the bases loaded the Cougar batter hit a pitch high above his head into left field to score the game's only run. In reality the pitch should have been taken or maybe fouled off, but instead it won the game. It was a tough game to lose especially for Spartan pitcher David Gaiser, who allowed only a few useless hits besides that lucky one.

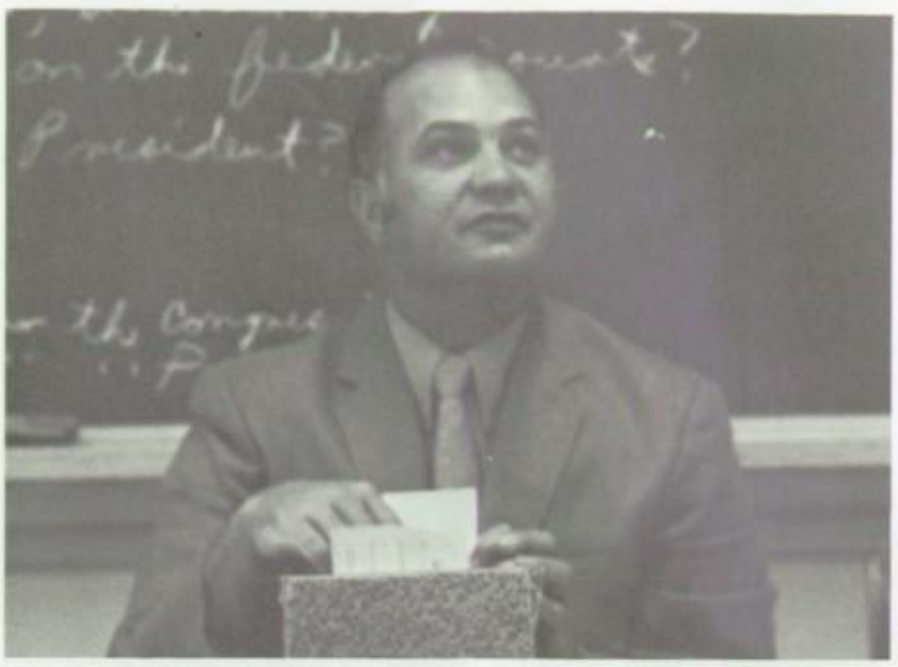
A nongraded phase-elective English curriculum was offered at W. W. Samuell High School beginning in 1970-71. It is divided into units of six weeks' duration, and students are assigned grades on each independent unit. Nongrading means, of course, that sophomores, juniors, and seniors may be enrolled in any unit. Phasing is simply the classifying of course according to difficulty and complexity of skills and materials. It is a way of identifying the relative degree of sophistication of courses. Phasing essentially is a guidance tool. The concept of electing recognize that each student knows better than anyone else what his interests and needs are and will, with guidance and assistance from teachers and counselors, choose courses wisely.

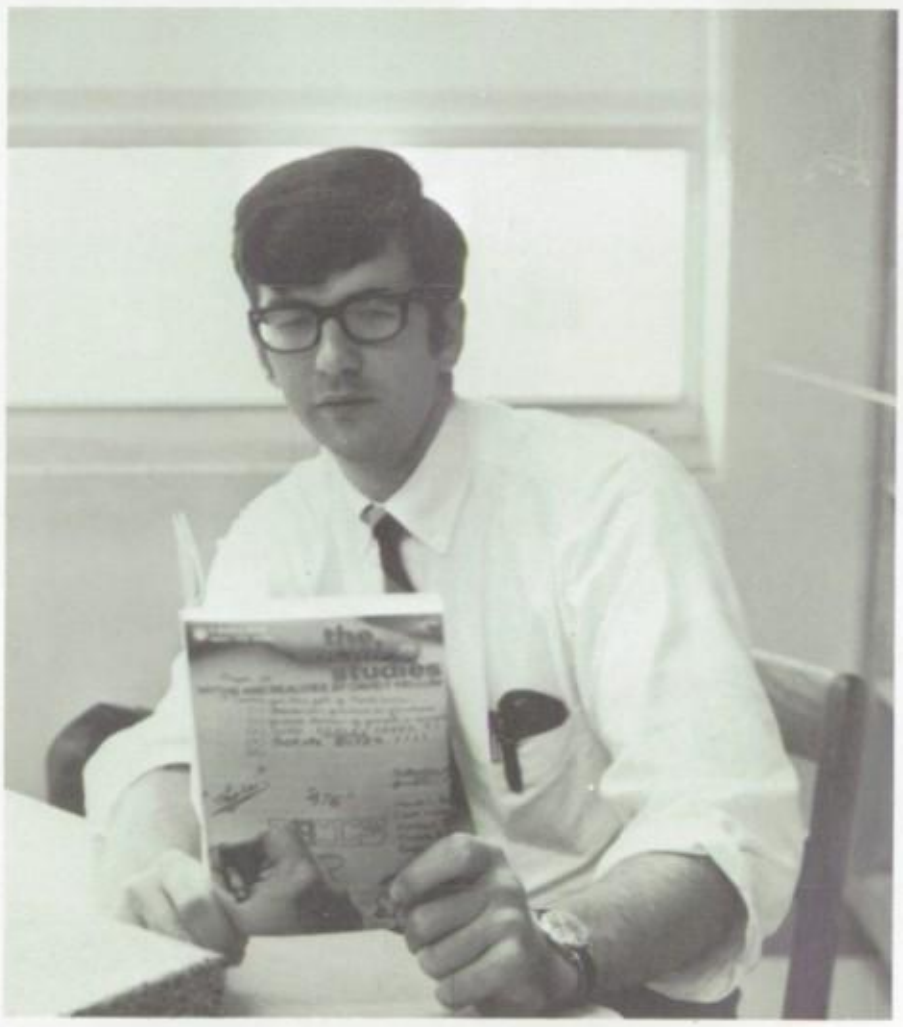
Mrs. Wilson

Science

The head of the Science Department is Mrs. Jennie Peters. The department offers chemistry, physics, biology, and advanced biology. Samuell has the second largest Science Department in the city.

History





The History Department at W. W. Samuell offers World history, American history, Texas history, P.O.D., and advanced civics. The head of the department is Mr. Tom Humber.

Home Economics

The Home Economics Department is geared for the future homemaker. It gives the student a basic understanding of garment construction and food preparation.

Math

Mrs. Lyla Tisdale is the head of the Math Department at W. W. Samuell. The department offers geometry, algebra, trigonometry, analysis, pre-calculus, and computer.

Music

The Music Department consists of the Concert Choir, The Girls' Special Chorus and the Jesters. They give various performances throughout the year. Mr. C. B. Crooke is the music director.

Art

Mrs. Elaine Spearman is the head of the Art Department. The classes are given a general education of various arts and crafts. They participate in various art shows throughout the city.

Speech

Speech consists of Stagecraft, Drama, Public Speaking, Persuasive Speaking and Debate. Miss Peggy Braden is the head of the department.

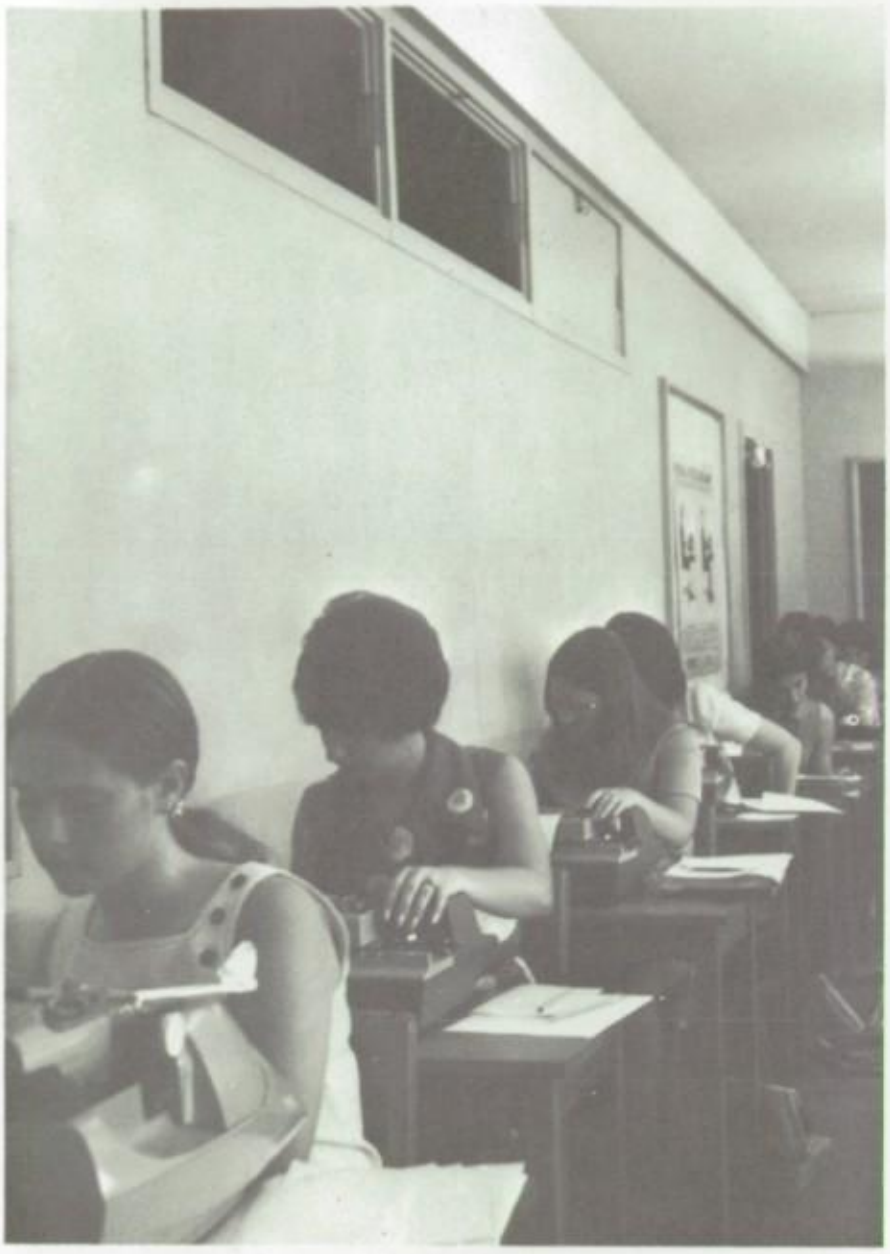
Business

Students attend three classes, and spend the afternoon at a regular job which the school helps them find.

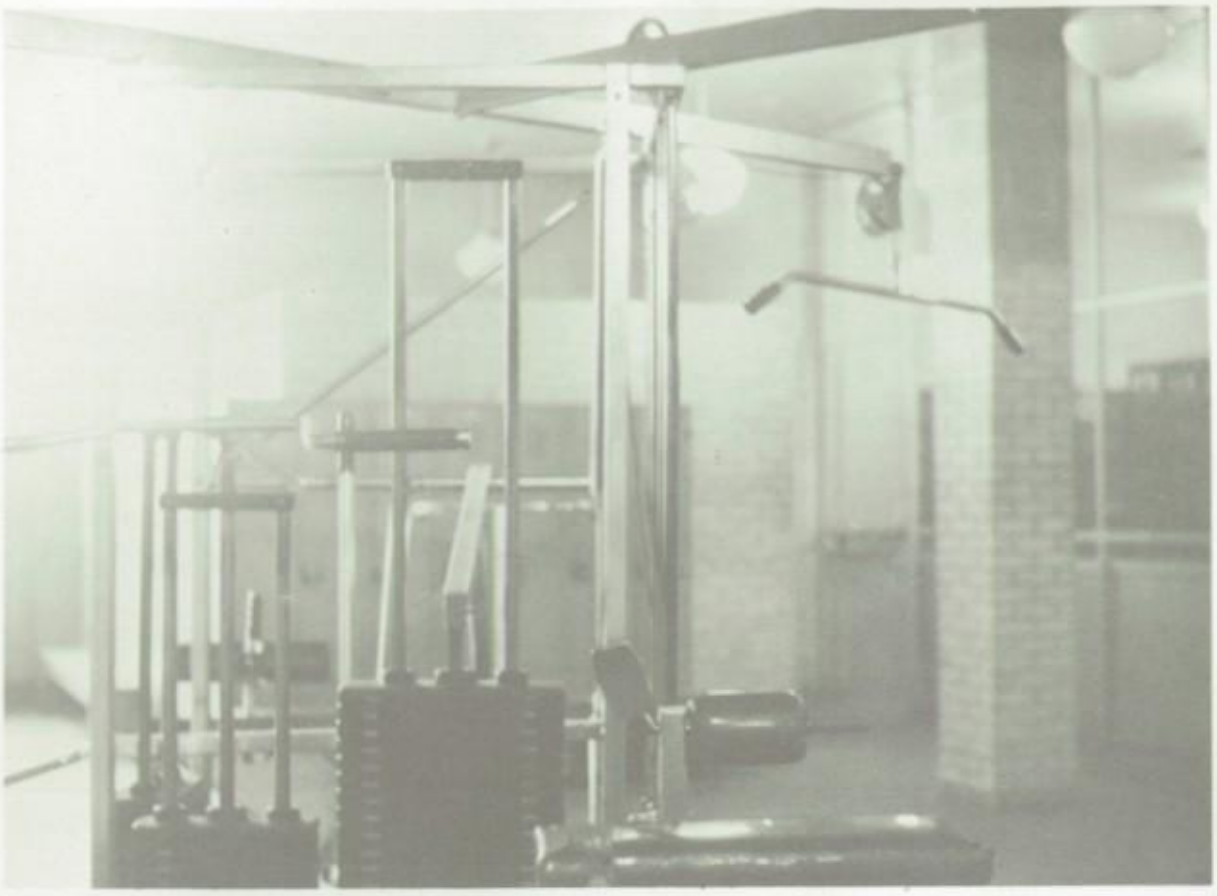
Foreign Language

The foreign language department offers Latin, Spanish, and French. These courses are electives that are chosen by the student and can be taken anytime during the students high school career.

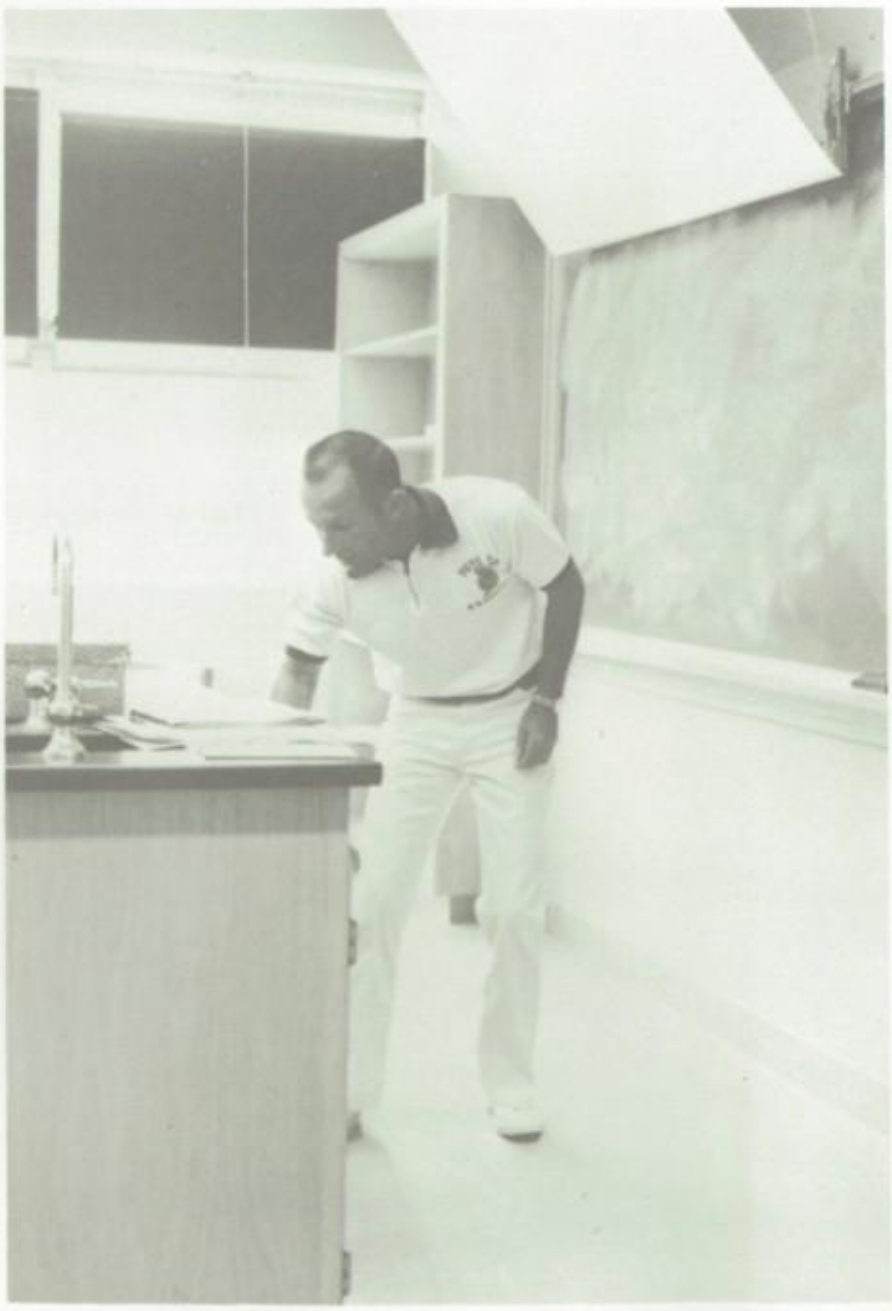
Typing



Typing and various other related courses give the student basic skills which are important in college or in business.

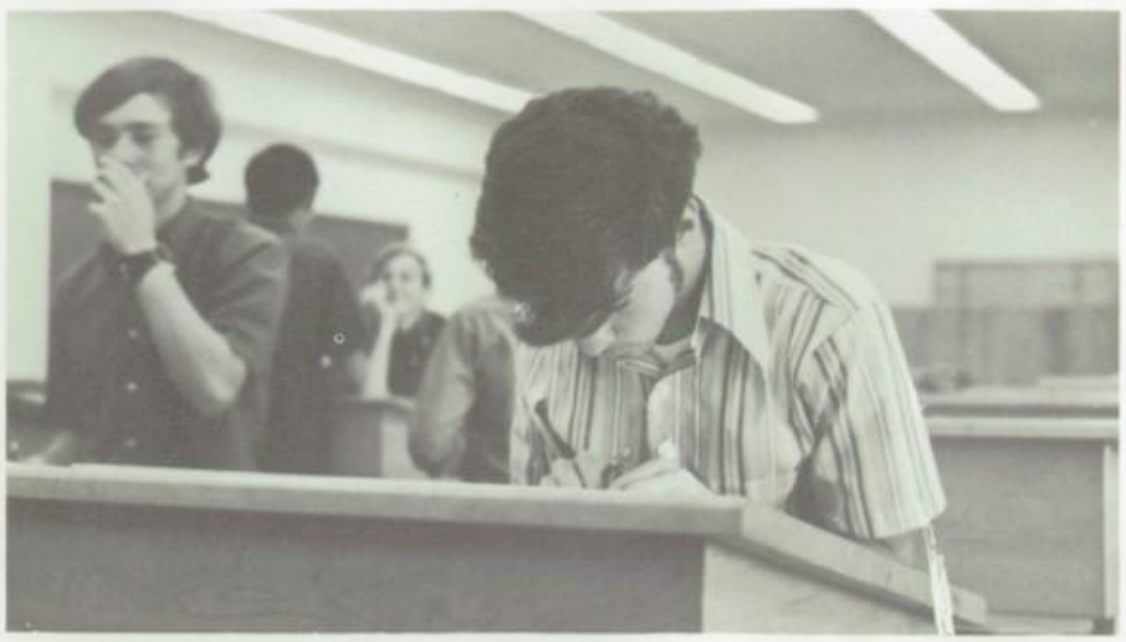


Physical Education



The girls' department is directed by Miss Cathy McGaha, and Mrs. Donnie Landy. The boys' department is directed by Mr. Hervey and Mr. Poteet.

Shops



Metal Shop, Wood Shop, Plastics and Drafting help to prepare the students for future studies and careers.

The 1970-1971 year has been a good year for the Corps. Although the Corps was smaller this year, the spirit and attitude of the cadets made up for our lack of numbers. Many cadets earned Rifle Qualification Badges at the Drill/Rifle Range at the first of the year. The Olympian Guard Drill Team placed high in all their competitions, as well as having a detachment drill in the Starlet Capers. The Rifle Team also had an exceptional year making the National Indoor Rifle Match. Our Military Ball, as usual, was a very great success. We passed Federal Inspection with flying colors and the only thing that kept the Corps from receiving the honor star was our size, which we hope to bring up again next year.

Student Senate Filled A Busy Year

This year the Student Senate busied itself by sponsoring school activities and working to improve (1) student-faculty relations, (2) rules and regulations previously set up, and (3) generally improving the appearance of the school itself. Some of the school activities the Student Senate sponsored included: 1) Homecoming. 2) a get together party called "In the Beginning . . . Can Ya Dig It?" 3) the AFS Drive, 4) and another party called "We've Only Just Begun." In an attempt to improve the appearance of the school, the Senate held a clean-up day, decorated welcome tables, and put a seal in the main entrance.

Sparteens Means Service

Sparteens is a service organization aimed at helping others. This year a few of their activities included helping the Key Club decorate for the Leadership Banquet, making posters for the Student Council for the Homecoming game, and participating with all branches of the YWCA in a garage sale for World Fellowship. For their own enjoyment they had a coke party to start off the year, and several bake sales to increase their treasury.

OFFICERS: *L-R:* Karen Jones — Reporter, Vickie Mathiews — President, Vickie Lenz — Service Chairman, Phoebe White — Secretary/Treasurer.

Members Include:

Floor, L-R: Glenda Paar, Yvonne Gaylord, Sheila Holmberg, Juli Askins. *Stairs, Bottom Up:* Suzanne Cargile, Cathy Featherston, Janis Trotter, Claudia Weeks, Teresa Calvert, Peggy Howe, Wanda White, Marla Stacy, Gail Williams.

Office Education Association

This year was a very active year for the Office Education Association. Under the leadership of Mrs. Evelyn Henderson, the club made many advancements which included the participation of its members in different contests and conferences. *Right:* Twila Lewis and Diane Williams represented the OEA chapter in San Angelo at the State Leadership Conference, April 15, 16, and 17. *Below, l-r:* Twila Lewis was chosen as Miss VOE for 1970-71 on the basis of performance in the classroom, improvement of skills and attitudes, participation in club activities, meetings and general interest in office occupations for a future vocation. Paula Knight was chosen by the members of the OEA Club based on her outstanding participation in the OEA Club activities. OEA officers include: *Seated, l-r:* Debra Dellinger, Vice-President; Tonya Lester, Sergeant-at-Arms; Diane Williams, Treasurer; Dawn Smith, President. *Standing, l-r:* Paula Knight, Parliamentarian; Twila Lewis, Secretary; Jeanine Kealy, Reporter; Carolyn Stipe, Historian. W. W. Hughes Sez:

The forty-five "Current Communist Goals" listed below appeared in the Congressional Record of January 10, 1963. They were taken from *The Naked Communist* by W. Cleon Skousen, who began his extensive study of Communism during his sixteen year term of service with the Federal Bureau of Investigation. These goals were compiled from the reports of Congressional hearings together with available books by ex-Communists.

1. U. S. acceptance of coexistence as the only alternative to atomic war.

2. U. S. willingness to capitulate in preference to engaging in atomic war.

3. Develop the illusion that total disarmament by the United States would be a demonstration of moral strength.

4. Permit free trade between all nations regardless of Communist affiliation and regardless of whether or not items could be used for war.

5. Extension of long-term loans to Russia and Soviet Satellites.

6. Provide American aid to all nations regardless of Communist domination.

7. Grant recognition of Red China. Admission of Red China to the U.N.

8. Set up East and West Germany as separate states in spite of Khrushchev's promise in 1955 to settle the Germany question by free elections under supervision of the U.N.

9. Prolong the conferences to ban atomic tests because the U.S. has agreed to suspend tests as long as negotiations are in progress.

10. Allow all Soviet satellites

11. Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken over as easily by the U.N. as by Moscow. Sometimes these two centers compete with each other as they are now doing in the Congo.)

12. Resist any attempt to outlaw the Communist Party.

13. Do away with all loyalty oaths.

14. Continue giving Russia access to the U.S. Patent Office.

15. Capture one or both of the political parties in the United States.

16. Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.

17. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.

18. Gain control of all student newspapers.

19. Use student riots to foment public protests against programs or organizations which are under Communist attack.

20. Infiltrate the press. Get control of book-review assignments, editorial writing, policy-making positions.

21. Gain control of key positions in radio, TV and motion pictures.

22. Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings, substitute shapeless, awkward and meaningless forms."

23. Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive, meaningless art."

24. Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.

25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio and TV.

26. Present homo-sexuality, degeneracy and promiscuity as "normal, natural, healthy."

27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."

28. Eliminate prayer or any phase of religious expression in the school on the ground that it violates the principle of "separation of church and state."

29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a world-wide basis.

30. Discredit the American founding fathers. Present them as selfish aristocrats who had no concern for the "common man."

31. Belittle all forms of American culture and discourage the teaching of American history on the ground that it was only a minor part of "the big picture." Give more emphasis to Russian history since the Communists took over.

32. Support any socialist movement to give centralized control over any part of the culture—education, social agencies, welfare programs, mental health clinics, etc.

33. Eliminate all laws or procedures which interfere with the operation of the Communist apparatus.

34. Eliminate the House Committee on Un-American Activities.

35. Discredit and eventually dismantle the FBI.

36. Infiltrate and gain control of more unions.

37. Infiltrate and gain control of big business.

38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand or treat.

39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Communist goals.

40. Discredit the family as an institution. Encourge promiscuity and easy divorce.

41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.

42. Create the impression that gitimate aspects of the American violence and insurrection are letradition; that students and special-interest groups should rise up and use "united force" to solve economic, political or social problems.

43. Overthrow all colonial governments before native populations are ready for self-government.

44. Internationalize the Panama Canal.

45. Repeal the Connally Reservation so the U. S. cannot prevent the World Court from seizing jurisdiction over domestic problems. Give the World Court jurisdiction over nations and individuals alike.
